

August 2011

Ordering.

Place your order with Product IDs, quantities, company and personal delivery name, address and international VAT (*) number by mail or phone to Hjelmslund Electronics, or use the on-line shopping feature here <http://www.hjelmslund.dk/WebOrder.asp>

You'll receive a proforma invoice with the amount to be pre-paid to our account (Banking info included in the proforma invoice) and a payment request for creditcard payment.

As soon as we've received the payment, we'll ship your order by a freight forwarder that operates in your country.

There's no minimum limit, but for orders less than EUR 50, we'll charge an extra EUR 10 service fee.
